

Professional Massages Only

The Approach

The harmonization of the body, the heart, and the soul.

Come and discover Ocea Wellness Beauty and Massage in the heart of the vibrant Grand Baie, Mauritius.

A new experience of holistic beauty, where tranquility meets rejuvenation, offering personalized treatments designed to restore balance and wellness.

My Face My Mirror

Discover the Ocea Mind Face rituals: a synergy of balms, essential oils, cupping, hot and cold stones, and oshi boris, combined with ancient healing techniques for total relaxation.

The rituals infuse positive emotions to soothe your mind.

Holistic Massages Experiences

Each massage offered here is an experience designed specifically for you, inspired by the iconic landscapes of Mauritius.

Through these themes, my wish was to create treatments that tell a story of a journey, a sensation, a specific energy, or a unique melody...

INDULGE IN A MOMENT OF WELL- BEING

With over 20 years of experience as a wellness trainer and Spa Manager in luxury hotels, Geneviève offers you treatments that combine expertise and excellence.

My Face, My Mirror

90 minutes

A refined moment beyond time, where the face becomes a path to deep relaxation and inner balance.

More than a beauty treatment, this unique experience brings together skincare, relaxation and emotional well-being.

It nurtures the skin, eases facial tensions and gently calms the mind, creating a feeling of complete harmony.

Using expert techniques, soft and mindful gestures, and products carefully adapted to your personal needs, the treatment cleanses, refreshes and enhances your natural radiance while inviting true serenity.

Every session is uniquely tailored: to your skin, your expectations and your present moment.

A truly personal experience, designed as an elegant pause for body, mind and soul.

Experiences Massages

The relaxant - Rivière des Galets **90 minutes Rs 2700**

More than a massage, this signature experience is designed to gently and progressively soothe and release tension. This treatment combines the application of balms, a pebbles ritual, warm towels and a calming musical atmosphere, all chosen to work in harmony. As the session unfolds, tension gradually melts away, the mind quiets and a deep sense of overall relaxation settles throughout the body.

The Cocooning - Belle Mare **75 minutes Rs 2400**

A deeply relaxing massage, soft and nurturing, designed as a comforting cocoon. Slow, enveloping movements invite the body to relax deeply, calm the mind and create a continuous feeling of softness and comfort. Ideal for slowing down, letting go and enjoying a warm, enveloping moment of relaxation.

The Drainant - Jardin de Pamplemousses **75 minutes Rs 2400**

A relaxing massage with fluid, harmonious movements, designed to support circulation and bring a pleasant feeling of lightness. The body gradually releases, sensations of heaviness fade away, giving space to greater fluidity and comfort. A gentle and balancing treatment, ideal for restoring lightness and well-being.

The Mini Relaxant (Back, shoulders, neck & head) 50 minutes Rs 1800

A deep relaxation massage focused on the back, shoulders, neck and head, designed to release tension and invite the body into a state of deep relaxation.

Holistic Massage Experiences

Evasion – Cranial Massage: A unique, balancing massage combining deep, energetic, detoxifying, and soothing techniques.

Kobido: A facial massage to rejuvenate and lift your features? This is Kobido!

Inspired by traditional Japanese facial massage, this treatment has been adapted to better suit your needs. The session includes lymphatic drainage to detoxify and brighten the complexion, active techniques to stimulate facial muscles, and acupressure on meridians to boost energy flow.

Shiatsu: A traditional Japanese floor massage, performed fully clothed, that harmonizes energy by applying precise pressure to acupuncture points, promoting deep relaxation and overall well-being.

Harmony & Inner Balance: Reiki, through gentle hand placement, balances energies and promotes deep relaxation for the body, mind, and emotions.
